Ms. Horita's 3rd grade Supply List

Welcome Brookside Families!

I look forward to meeting you and your child! This will be an exciting year for all of us! To prepare for the new school year, each student will need the listed school supplies. I tried to be as specific as possible so that the class has the exact or similar items when working together. (Certain brands are preferred over others for their quality and durability.) Items can be found at Office Depot, Office Max, Target, or Walmart. Please **do not** write your child's name on the items, just on the outside of a bag. We will share the supplies as a class.
